

ABOUT LIFE. THEORIES, CONCEPTS AND IMAGES OF THE LIVING

1ST FI.NO. GRADUATE CONFERENCE
IN THEORETICAL PHILOSOPHY

KEYNOTE SPEAKERS:

Renaud Barbaras
Université Paris 1 Panthéon Sorbonne

Charles Wolfe
Ghent University

Davide Tarizzo
Università degli studi di Salerno

The first FI.NO. Graduate Conference in Theoretical Philosophy aims at bringing together graduate students and young researchers whose work draws on the notion of life. Is it possible to address the peculiarity of life and the living without violating the legal limits of natural science?

PROGRAM

10th NOVEMBER
